

Walthamstow Academy
The best in everyone™
Part of United Learning

Principal Emma Skae BSc BEd MA NPQH

17 October 2017

Dear Parents and Carers,

Ofsted Inspection

As you will know, Ofsted recently visited us for a one day inspection to check on progress at the academy. I am very pleased to let you know that they concluded that we have continued to improve since their last visit and that we remain a strong and effective Good school. The letter from Ofsted following their visit paints a very impressive picture of our students and everything they do here.

The letter, attached here, acknowledges the considerable achievements we have made since Ofsted's last visit in 2014. They have praised our high expectations, our consistently strong academic results, the progress our students make, our pastoral care and our safeguarding; all important areas of academy life that make a distinct difference to the outcomes our students achieve.

We are, of course, never complacent at the Academy and are still determined to build on our current strengths to go even further in delivering an excellent education for every child.

In particular, we realise how important it is to further strengthen our links with parents so please do not hesitate to contact me or our Chair of Governors, Geoff Skewes, if you have suggestions as to how we can do this.

Thank you for your ongoing support of the Academy.

With kind regards

Emma Skae
Principal
